Governing Values

Broxburn Developments Inc. uses the Bible as the foundational hand book for all operations and code of conduct. We hold one another accountable and aspire to live by the following governing values.

Love

We live by the golden rule; to love God above all and our neighbor as our self (We treat others the way we would like to be treated).

Wisdom

Wisdom is the ability to discern and obey God's rules (The fear of God is the beginning of wisdom).

Integrity

We do what is right before what is possible. We strive to under-promise and over-deliver in the commitments we make.

Intrinsic value of people

People are valued, treated with dignity, able to make decisions and sound judgements. We take the responsibility for the stewardship of each person's gifts and potential.

Excellence

We strive for excellence in all our endeavors; we are professional, organized, and competent. We make allowance for creativity while striving for simplicity.

Stewardship

We are accountable for the proper stewardship of all our resources; promoting personal and organizational growth.
